COVER LETTER

To:

Harper Russo.
Salford & CO. CEO

Date:

21 March 2023

123 Anywhere ST., Any City

I am writing this letter to express my interest in the role of 'Front End Developer' in your organization, BCM next.

I believe I would be an ideal fit for this position as I have good coding skills from Masai school. To gain more experience and expertise in my current field, I have completed a Front End Developer course from Masai School, Bengaluru. It helps me to clone the latest website very quickly with the help of HTML.CSS, JS, and React.js etc. I have attached a copy of my resume for your kind perusal.

I am looking forward to meeting you to discuss further what I have mentioned.

Sincerely, Deepak Kumar
